CHICAGO AND GALENA AIR LINE R. R. CHICAGE AND GALERA AIR LINE B. a.

We understand that the iron is laid down on the Chicage and Galena far Jine Railread twenty-four miles west of the Junetion, and still going down at the rate of amile each day. Thirty six ear leads of iron and other material are fairly despatched from this city to keep the progress of the work from being checked. The Company appears determined to fulfill its promise of completing this branch of the road by the first of Juneary.

The C. & G. U. R. R. Co., have constructed about one hundred and twenty miles of road this year, and will make up about thirty more before fancary.

The Gamers of Eder — A panorama, consisting of 18 magnificant assessed by Millon, in his poem of "Paradias Lost," together with five accesses from the New Testament, representing "Paradias Regained," comprising the most interesting events in our Savior's history—will be exhibited in the city next week. The work was executed by A. P. Barrett, and is apoken of as pone of great merit and interest.
